

City of Atlanta Approved TSPLOST Purposes and Recommended Projects List

Title	Mode, Project Type	Council District	Description	Length (miles)	To	From	Rev TSPLOST Cost	Council Guiding Principles: (1) Congestion (2) Jobs, schools, and parks/ MU trails, sidewalks (3) Equity (4) Renew Coordination (5) Studies and Stakeholder input (6) Maintenance
Atlanta BeltLine	Atlanta BeltLine/Multi-use Trails	Multiple	Right-of-way acquisition of the Atlanta BeltLine loop and spur trails and install lighting.	26.3	n/a	n/a	\$65,900,000	2, 3, 5,
Paving and Resurfacing	Complete Street	9	Complete Street improvements including resurfacing, sidewalk repair, street trees, granite curbing, ADA compliant crosswalks and ramps, and lighting. Restripe bike lanes adding buffers and protection as space permits. Install bulb outs, green stormwater infrastructure and electric vehicle charging stations as appropriate and space permits.	n/a	n/a	n/a	\$5,500,000	2, 3, 4, 5
5th Street	Complete Street	2	Complete Street improvements including resurfacing, sidewalk repair, street trees, granite curbing, ADA compliant crosswalks and ramps, and lighting. Restripe bike lanes adding buffers and protection as space permits. Install bulb outs, green stormwater infrastructure and electric vehicle charging stations as appropriate and space permits.	0.7	I-75/85	Myrtle Street	\$1,530,000	2, 3, 4, 5
Euclid Avenue	Complete Street	2	Complete Street improvements including resurfacing, sidewalk repair, street trees, granite curbing, ADA compliant crosswalks and ramps, lighting, and shared lane markings. Install bulb outs, bus shelters, green stormwater infrastructure and electric vehicle charging stations as appropriate and space permits. Subject to engineering study, remove traffic signal at Austin Avenue and replace with traffic circle or stop signs.	0.3	Moreland Avenue	Austin Avenue	\$1,497,377	2, 3, 4, 5
North Avenue	Complete Street	2	Complete Street improvements including resurfacing, sidewalk repair, street trees, granite curbing, ADA compliant crosswalks and ramps, and lighting. Install median and medianettes as space permits.	0.7	Moreland Avenue	Bonaventure Avenue	\$2,129,692	2, 3, 4, 5
Spring Street	Complete Street	2	Complete Street improvements including resurfacing, sidewalk repair, street trees, granite curbing, ADA compliant crosswalks and ramps, lighting and a protected bike lane. Install bulb outs, green stormwater infrastructure and electric vehicle charging stations as appropriate and space permits.	1.8	North Avenue	Peachtree Street	\$3,758,850	2, 3, 4, 5
West Peachtree Street	Complete Street	2	Complete Street improvements including resurfacing, sidewalk repair, street trees, granite curbing, ADA compliant crosswalks and ramps, lighting and a protected bike lane. Install bulb outs, green stormwater infrastructure and electric vehicle charging stations as appropriate and space permits. Project includes complete street improvements at Civic Center MARTA Station bridge. Subject to engineering study, convert from one-way to two way operation segment south of North Avenue.	2.2	Peachtree Street NW	Peachtree Street (SW)	\$5,846,276	2, 3, 4, 5
Langhorn Street	Complete Street	4	Complete Street improvements including resurfacing, sidewalk repair, street trees, granite curbing, ADA compliant crosswalks and ramps, and lighting. Install bulb outs, green stormwater infrastructure and electric vehicle charging stations as appropriate and space permits. Project includes reducing the number of travel lanes.	0.7	Westview Drive ramps	R.D. Abernathy Boulevard	\$4,200,000	2, 3, 4, 5
Gilmer Street	Complete Street	5	Complete Street improvements including resurfacing, sidewalk repair, street trees, granite curbing, ADA compliant crosswalks and ramps, lighting, and protected bicycle lanes. Install bulb outs, bus shelters, green stormwater infrastructure and electric vehicle charging stations as appropriate and space permits.	0.3	Jesse Hill Jr Drive	Peachtree Center Avenue	\$873,567	2, 3, 4, 5

Title	Mode, Project Type	CD	Description	Length (miles)	To	From	Rev TSPLOST Cost	Council Guiding Principles: (1) Congestion (2) Jobs, schools, and parks/ MU trails, sidewalks (3) Equity (4) Renew Coordination (5) Studies and Stakeholder input (6) Maintenance
LaFrance St/ Marion Place	Complete Street	5	Complete Street improvements including resurfacing, sidewalk installation and repair, street trees, granite curbing, ADA compliant crosswalks and ramps, and lighting. Install bulb outs, bus shelters, green stormwater infrastructure and electric vehicle charging stations as appropriate and space permits.	0.8	Marion Pl	Arizona Avenue	\$1,377,962	2, 3, 4, 5
Westland Boulevard	Complete Street	10	Complete Street improvements including resurfacing, sidewalk installation and repair, street trees, granite curbing, ADA compliant crosswalks and ramps, and lighting.	0.1	Burton Road	M.L. King Jr Drive	\$545,423	2, 3, 4, 5
Cascade Road	Complete Street	10, 11	Complete Street improvements including resurfacing, sidewalk installation and repair, street trees, granite curbing, ADA compliant crosswalks and ramps, and lighting. Install bike lanes and bus shelters as space permits.	1.8	City Limits	Willis Mill Road	\$3,061,766	2, 3, 4, 5
Peachtree Center Avenue	Complete Street	2, 5	Complete Street improvements including resurfacing, sidewalk repair, street trees, granite curbing, ADA compliant crosswalks and ramps, lighting, and protected bicycle lanes. Install bulb outs, bus shelters, green stormwater infrastructure and electric vehicle charging stations as appropriate and space permits.	0.7	Edgewood Avenue	Peachtree Street	\$3,395,170	2, 3, 4, 5
Piedmont Avenue	Complete Street	2, 5	Complete Street improvements including resurfacing, sidewalk repair, street trees, granite curbing, ADA compliant crosswalks and ramps, lighting, and a protected bicycle lane. Install bulb outs, green stormwater infrastructure and electric vehicle charging stations as appropriate and space permits.	1.1	Ponce de Leon Avenue (US-278)	J.W. Dobbs Avenue	\$5,415,852	2, 3, 4, 5
North Highland Avenue	Complete Street	2, 6	Complete Street improvements including resurfacing, sidewalk repair, street trees, granite curbing, ADA compliant crosswalks and ramps, lighting, and, as space permits, bicycle lanes. Install bulb outs, bus shelters, green stormwater infrastructure and electric vehicle charging stations as appropriate and space permits. Project includes installation of a PHB/RRFB crossing enhancement at Blue Ridge Avenue.	3.9	Lenox Road	Central Park Place	\$11,607,825	2, 3, 4, 5
Chappell Road	Complete Street	3, 9	Complete Street improvements including resurfacing, sidewalk installation and repair, street trees, granite curbing, ADA compliant crosswalks and ramps, and lighting.	0.6	J.E. Boone Boulevard	D.L. Hollowell Parkway (US- 278)	\$949,227	2, 3, 4, 5
Campbellton Road	Complete Street	4, 11, 12	Complete Street improvements including resurfacing, sidewalk installation and repair, street trees, granite curbing, ADA compliant crosswalks and ramps, lighting, bus shelters, and protected bike lanes.	4.2	Greenbriar Parkway	Lee Street	\$23,709,150	2, 3, 4, 5
Complete Streets	Complete Street	Citywide	Complete Street improvements including resurfacing, sidewalk installation and repair, street trees, granite curbing, ADA compliant crosswalks and ramps, lighting, bus shelters, and protected bike lanes.	n/a	n/a	n/a	-	2, 3,
East Side Trolley Greenway Trail	Multi-use Trail	5	Construct multi-use trail between Gilliam Park and the Atlanta BeltLine.	0.3	Moreland Avenue	Stovall Street	\$796,875	2, 3, 4, 5
East Side Trolley Greenway Trail Connector	Multi-use Trail	5	Construct multi-use trail segment between the East Side Trolley Greenway Trail in Gilliam Park and Arizona Avenue.	1.6	Trolley Trail	Arizona Avenue	\$500,000	2, 3, 4, 5
South Fork Conservancy + PATH 400 Confluence Bridge	Multi-use Trail	6	Construct confluence project pedestrian bridge(s) and appurtenances between Adina Driveive to North and South Fork Trails, Atlanta BeltLine and PATH 400.	n/a	Adina Dead End	Peachtree Creek Confluence	\$360,000	2, 3, 4, 5
PATH 400	Multi-use Trail	6, 7	Construct multi-use trail along GA 400 from Sandy Springs to Lindbergh Center.	5.0	City Limits	Piedmont Road	\$5,000,000	2, 3, 4, 5

Title	Mode, Project Type	CD	Description	Length (miles)	To	From	Rev TSPLOST Cost	Council Guiding Principles: (1) Congestion (2) Jobs, schools, and parks/ MU trails, sidewalks (3) Equity (4) Renew Coordination (5) Studies and Stakeholder input (6) Maintenance
Freedom Parkway Trail to Stone Mount Trail Connector	Multi-use Trail	2, 5	Extend the Stone Mountain multi-use trail along the south side of DeKalb Avenue from Rocky Ford Rd/DeKalb Pl to Inman Park/Reynoldstown MARTA Station, the Freedom spur trail, and the Edgewood Avenue bike lanes. Project includes safe bicycle and pedestrian access to the Edgewood/Candler Park and Inman Park/Reynoldstown MARTA Stations.	2.3	Inman Park/Reynoldstown MARTA Driveiveway	City Limits	\$8,167,045	2, 3, 4, 5
H.E. Holmes Neighborhood Trail Connection	Multi-use Trail	3, 10	Construct multi-use trail between the Harvel Homes neighborhood to HE Holmes Drive and the HE Holmes MARTA Station.	0.8	Verbena Circle	H.E. Holmes MARTA Station	\$768,371	2, 3, 4, 5
Proctor Creek Greenway	Multi-use Trail	9	Construct multi-use trail between the Chattahoochee River, Bankhead MARTA Station, and the Atlanta BeltLine Corridor.	6.6	Chattahoochee River	D.L. Hollowell Parkway	-	2, 3, 4, 5
Lionel Hampton Trail Connection	Multi-use Trail	3, 4 10	Construct missing L Hampton multi-use trail segment between Mozley Park and Anderson Park Project includes streetscape improvements along Anderson Avenue.	0.6	Calloway Drive	Browning St	\$639,394	2, 3, 4, 5
Westview Cemetery - West Lake Station Trail	Multi-use Trail	4, 10	Construct multi-use trail connecting Westview and along Ralph David Abernathy with Westwood Avenue/Lionel Hampton Trail by creating a multi-use trail on the southern boundary of Westview Cemetery, including paving Willis Mill Rd at the Lionel Hampton Trail Head	1.1	Larchwood	Westview	\$1,100,000	2, 3, 4, 5
Blue Heron Blueway Trail	Multi-use Trail	7, 8	Construct a multi-use trail from Chastain Park to the Blue Heron Nature Preserve via Nancy Creek	1.5	Chastain Park	Blue Heron Nature Preserve	\$1,143,466	2, 3, 4, 5
Cascade Nature Preserve	Multi-use Trail	10	Construct a Multi-use trail in the Cascade Nature Preserve	n/a	n/a	n/a	-	2,3
Multi-use Trails	Multi-use Trail	Multiple	Construct Multi-use Trails in the City of Atlanta	n/a	n/a	n/a	-	2, 3,
18th Street	Sidewalk/ Streetscape	3	Sidewalk/streetscape improvements including, sidewalk installation and repair, street trees, granite curbing, ADA compliant crosswalks and ramps, and lighting. Improve safety of tunnel under Buford Hwy Connector. May include one-way to two-way conversion.	0.2	SCAD	W Peachtree St	\$731,510	2, 3, 4, 5
Pedestrian Facilities	Sidewalk/ Streetscape	9	Sidewalk/streetscape improvements including, sidewalk installation and repair, street trees, granite curbing, ADA compliant crosswalks and ramps, and lighting. Improve safety of tunnel under Buford Hwy Connector. May include one-way to two-way conversion.	n/a	n/a	n/a	\$5,500,000	2, 3, 4, 5
Sunset Avenue	Sidewalk/ Streetscape	3	Sidewalk/streetscape improvements including, sidewalk installation and repair, street trees, granite curbing, ADA compliant crosswalks and ramps, and lighting. Install bulb outs, green stormwater infrastructure and electric vehicle charging stations as appropriate and space permits.	1.1	North Avenue	ML King Jr Drive	\$1,770,878	2, 3, 4, 5
Ted Turner Drive	Sidewalk/ Streetscape	4	Sidewalk/streetscape improvements including, sidewalk installation and repair, street trees, granite curbing, ADA compliant crosswalks and ramps, lighting, and bus shelters. Install bulb outs, green stormwater infrastructure and electric vehicle charging stations as appropriate and space permits.	0.6	M.L. King Jr Drive	Whitehall St	\$2,122,398	2, 3, 4, 5
Cheshire Bridge Road	Sidewalk/ Streetscape	6	Sidewalk/streetscape improvements including, sidewalk installation and repair, street trees, granite curbing, ADA compliant crosswalks and ramps, lighting, and bus shelters.	1.1	Chantilly Drive	Wellbourne Drive	\$3,844,896	2, 3, 4, 5

Title	Mode, Project Type	CD	Description	Length (miles)	To	From	Rev TSPLOST Cost	Council Guiding Principles: (1) Congestion (2) Jobs, schools, and parks/ MU trails, sidewalks (3) Equity (4) Renew Coordination (5) Studies and Stakeholder input (6) Maintenance
Buckhead Village Sidewalks	Sidewalk/ Streetscape	7, 8	In the Buckhead Village, 2.0 miles of sidewalk/streetscape improvements including, sidewalk installation and repair, street trees, granite curbing, ADA compliant crosswalks and ramps, and lighting. Install bulb outs, green stormwater infrastructure and electric vehicle charging stations as appropriate and space permits.	2.0	Buckhead Village	n/a	\$2,000,000	2, 3, 4, 5
Atlanta Memorial Park Area Pedestrian, Access, and Safety Improvements	Sidewalk/ Streetscape	8	Construct new bicycle and pedestrian bridge between Dellwood Drive and Colonial Homes over Peachtree Creek. On Woodward Way and Wesley Drive, install sidewalks on the south side of the street and neighborhood greenway improvements including traffic calming, green stormwater infrastructure, street trees, wayfinding, and bicycle infrastructure. On Northside Drive, install four pedestrian crossing enhancements.	3.0	Atlanta Memorial Park area	n/a	\$4,545,408	2, 3, 4, 5
Chastain Park Area Pedestrian and Safety Improvements	Sidewalk/ Streetscape	8	Complete multi-use trail loop around Chastain Park and sidewalk improvements around Chastain Park. On Wieuca Rd between Chastain Park and Roswell Rd, construct sidewalk/streetscape improvements including, sidewalk installation and repair, resurfacing, street trees, granite curbing, ADA compliant crosswalks and ramps, and lighting.	1.0	Chastain Park Trail	Roswell Road	\$1,670,640	2, 3, 4, 5
M.L. King Jr Drive	Sidewalk/ Streetscape	10	Leverage funding for the ML King Jr Drive improvement project. Sidewalk/streetscape improvements including, sidewalk installation and repair, street trees, granite curbing, ADA compliant crosswalks and ramps, lighting, bus shelters, and multi-use trail sidepath.	5.5	R.D. Abernathy Boulevard	City Limits	\$10,000,000	2, 3, 4, 5
Danforth Road	Sidewalk/ Streetscape	11	Sidewalk/streetscape improvements including, sidewalk installation and repair, street trees, granite curbing, ADA compliant crosswalks and ramps, and lighting. Completes Danforth Rd streetscape project in its entirety.	0.8	Cascade Road	New Hope Rd	\$4,400,000	2, 3, 4, 5
Cleveland Avenue/Metropolitan Pkwy	Sidewalk/ Streetscape	12	Sidewalk/streetscape improvements including, sidewalk installation and repair, street trees, restored curbing, ADA compliant crosswalks and ramps, lighting, bus shelters, and protected bike lanes.	2.3	Hapeville/ City Limits	Jonesboro Rd	\$15,073,200	2, 3, 4, 5
Browns Mill Road	Sidewalk/ Streetscape	12	Sidewalk/streetscape improvements on the west side including, sidewalk installation and repair, street trees, granite curbing, ADA compliant crosswalks and ramps, lighting, and bus shelters. Install bulb outs, green stormwater infrastructure and electric vehicle charging stations as appropriate and space permits.	1.1	Cleveland Avenue	Oak Drive	\$1,672,704	2, 3, 5
Hutchens Road	Sidewalk/ Streetscape	12	Sidewalk/streetscape improvements including, sidewalk installation and repair, street trees, granite curbing, ADA compliant crosswalks and ramps, lighting, and bus shelters. Install bulb outs, green stormwater infrastructure and electric vehicle charging stations as appropriate and space permits.	1.1	Jonesboro Road	Forrest Park Rd	\$1,718,323	2, 3, 4, 5
Dill/Metropolitan, Dill/Sylvan Commercial Node Streetscape	Sidewalk/ Streetscape	12	Within the Dill Avenue neighborhood commercial area, construct sidewalk/streetscape improvements including, sidewalk installation and repair, street trees, granite curbing, ADA compliant crosswalks and ramps, lighting, and bus shelters. Install bulb outs, green stormwater infrastructure and electric vehicle charging stations as appropriate and space permits.		Dill/Sylvan and Dill/Metropolitan	Hapeville/City Limits	\$1,100,000	2, 3, 4, 5
Lakewood Avenue	Sidewalk/ Streetscape	1, 12	Sidewalk/streetscape improvements including, sidewalk installation and repair, street trees, granite curbing, ADA compliant crosswalks and ramps, lighting, and bus shelters. Install bulb outs, green stormwater infrastructure and electric vehicle charging stations as appropriate and space permits.	1.0	Southtowne Trail	Harriet St	\$3,376,200	2, 3, 4, 5

Title	Mode, Project Type	CD	Description	Length (miles)	To	From	Rev TSPLOST Cost	Council Guiding Principles: (1) Congestion (2) Jobs, schools, and parks/ MU trails, sidewalks (3) Equity (4) Renew Coordination (5) Studies and Stakeholder input (6) Maintenance
Beecher/Cascade Commercial Node Streetscape	Sidewalk/ Streetscape	4, 10	Within the Beecher/Cascade neighborhood commercial area, construct sidewalk/streetscape improvements including, sidewalk installation and repair, street trees, granite curbing, ADA compliant crosswalks and ramps, lighting, and bus shelters. Install bulb outs, green stormwater infrastructure and electric vehicle charging stations as appropriate and space permits.	0.8	Beecher Street/Cascade Avenue	n/a	\$1,085,680	2, 3, 4, 5
Sidewalk Gap Closure Fund	Sidewalk/ Streetscape	Citywide	Programmatic funds to close gaps in the existing sidewalk network. Funds will be focused on sidewalk construction.	n/a	Citywide	n/a	\$9,000,000	2, 3, 4
Sidewalks and Streetscapes	Sidewalk/ Streetscape	Citywide	Sidewalk/streetscape improvements including, sidewalk installation and repair, street trees, granite curbing, ADA compliant crosswalks and ramps, lighting, and bus shelters. Install bulb outs, green stormwater infrastructure and electric vehicle charging stations as appropriate and space permits.	n/a	Citywide	n/a	-	2, 3,
8th St/Peachtree Place	Neighborhood Greenway	2	Neighborhood Greenway improvements including traffic calming, green stormwater infrastructure, street trees, wayfinding, and bicycle infrastructure providing east-west connectivity in Midtown and a connection to the Midtown MARTA Station. May include one-way to two-way conversion.	0.6	Williams Street	Myrtle St	\$108,665	2, 3, 4, 5
Myrtle Street	Neighborhood Greenway	2	Neighborhood Greenway improvements including traffic calming, green stormwater infrastructure, street trees, wayfinding, and bicycle infrastructure connecting the 5th St bike lanes to the 10th St protected bike lanes.	0.4	10th Street	5th St	\$81,439	2, 3, 4, 5
JP Brawley Drive	Neighborhood Greenway	3	Neighborhood Greenway improvements including traffic calming, green stormwater infrastructure, street trees, wayfinding, and bicycle infrastructure connecting the Atlanta University Center to the Vine City Promenade, the Lena St multi-use trail, neighborhoods to the north, and the Jefferson St bike lanes.	2.3	M.L. King Jr. Drive	Marietta Blvd (by way of Jefferson Street)	\$458,333	2, 3, 4, 5
State Street	Neighborhood Greenway	3	Neighborhood Greenway improvements including traffic calming, green stormwater infrastructure, street trees, wayfinding, and bicycle infrastructure connecting Georgia Tech, Atlantic Station, and Home Park.	0.6	16th Street	10th St	\$113,636	2, 3, 4, 5
AUC Greenway	Neighborhood Greenway	4	Neighborhood Greenway improvements including traffic calming, green stormwater infrastructure, street trees, wayfinding, and bicycle infrastructure connecting the Atlanta University Center to the Ashview Heights neighborhood, the Westview Avenue protected bike lanes, and Castleberry Hill.	0.8	Agnes Jones Place	Chappell St	\$158,523	2, 3, 4, 5
Oglethorpe Avenue	Neighborhood Greenway	4	Neighborhood Greenway improvements including traffic calming, green stormwater infrastructure, street trees, wayfinding, and bicycle infrastructure connecting West End to the West End MARTA Station and the Atlanta BeltLine multi-use trail on White St.	0.8	White Street	Lee St	\$152,841	2, 3, 4, 5
Oakview Road	Neighborhood Greenway	5	Neighborhood Greenway improvements including traffic calming, green stormwater infrastructure, street trees, wayfinding, and bicycle infrastructure connecting the East Side Trolley Greenway Trail to the Kirkwood neighborhood commercial area, and the Oakhurst Village.	1.0	Hosea Williams Drive (Kirkwood Village)	City Limits (2nd Avenue)	\$202,652	2, 3, 4, 5
Reynoldstown Greenway	Neighborhood Greenway	5	Neighborhood Greenway improvements including traffic calming, green stormwater infrastructure, street trees, wayfinding, and bicycle infrastructure connecting the Edgewood Retail District to the Inman Park/Reynoldstown MARTA Station and the Atlanta BeltLine Corridor.	1.0	Flat Shoals Avenue	Moreland Avenue	\$202,424	2, 3, 4, 5

Title	Mode, Project Type	CD	Description	Length (miles)	To	From	Rev TSPLOST Cost	Council Guiding Principles: (1) Congestion (2) Jobs, schools, and parks/ MU trails, sidewalks (3) Equity (4) Renew Coordination (5) Studies and Stakeholder input (6) Maintenance
Rocky Ford Road	Neighborhood Greenway	5	Neighborhood Greenway improvements including traffic calming, green stormwater infrastructure, street trees, wayfinding, and bicycle infrastructure connecting the Kirkwood neighborhood commercial area to the Stone Mountain multi-use trail and proposed bike lanes on College Avenue.	0.9	College Avenue	Oakview Rd	\$189,394	2, 3, 4, 5
Piedmont Heights/Sherwood Forest Greenway	Neighborhood Greenway	6	Neighborhood Greenway improvements including traffic calming, green stormwater infrastructure, street trees, wayfinding, and bicycle infrastructure connecting the Midtown business district to the Atlanta BeltLine Corridor and neighborhoods to the east. Project includes modifications to Piedmont Rd/Montgomery Ferry intersection and the N Rock Springs/E Pelham Rd intersection.	1.8	West Peachtree Street	Piedmont Avenue	\$560,000	2, 3, 4, 5
Larchwood St/Willis Mill Road	Neighborhood Greenway	10	Neighborhood Greenway improvements including traffic calming, green stormwater infrastructure, street trees, wayfinding, and bicycle infrastructure connecting the proposed multi-use trail next to Westview Cemetery to the L Hampton Trail and the HE Holmes MARTA Station.	1.0	M.L. King Jr. Drive	ML King Jr Drive	\$196,970	2, 3, 4, 5
Oakdale Road/ Whitefoord Avenue	Neighborhood Greenway	2, 5, 6	Neighborhood Greenway improvements including traffic calming, green stormwater infrastructure, street trees, wayfinding, and bicycle infrastructure connecting the proposed East Side Trolley Greenway multi-use trail to the Edgewood/Candler Park MARTA Station and neighborhoods to the north. Project includes resurfacing and updating pAvenue markings at MARTA underpass and construction of neighborhood traffic circle at intersection with LaFrance St.	1.6	Fairview Road	Arkwright Pl	\$873,864	2, 3, 4, 5
Hunter Hills Greenway	Neighborhood Greenway	3, 4	Neighborhood Greenway improvements including traffic calming, green stormwater infrastructure, street trees, wayfinding, and bicycle infrastructure along the in-street portion of the L Hampton Trail in the Hunter Hills neighborhood.	0.5	Sharon Street	Rockmart Drive	\$90,909	2, 3, 4, 5
Baker Road/North Avenue	Neighborhood Greenway	3, 9	Neighborhood Greenway improvements including traffic calming, green stormwater infrastructure, street trees, wayfinding, and bicycle infrastructure connecting the Center Hill, Grove Park, and Bankhead neighborhoods to the Bankhead MARTA Station, the Proctor Creek Greenway, and the Atlanta BeltLine Corridor.	2.6	H.E. Holmes Drive	Chappell Rd	\$511,364	2, 3, 4, 5
McDaniel Street	Neighborhood Greenway	4, 12	Neighborhood Greenway improvements including traffic calming, green stormwater infrastructure, street trees, wayfinding, and bicycle infrastructure.	1.0	R.D. Abernathy Boulevard	University Avenue	\$206,000	2, 3, 4, 5
Cascade Nature Preserve	Neighborhood Greenway	10	Neighborhood Greenway Improvements including traffic calming, green stormwater infrastructure, street trees, wayfinding, and bicycle infrastructure connecting the Cascade Nature Preserve surrounding neighborhoods	n/a	n/a	n/a	-	2, 3
Neighborhood Greenways	Neighborhood Greenway	Citywide	Neighborhood Greenway improvements including traffic calming, green stormwater infrastructure, street trees, wayfinding, and bicycle infrastructure.	n/a	Citywide	n/a	-	2, 3
Phipps Boulevard/Wieuca Road Roundabout	Streets: Capacity	7	New roundabout to improve safety and capacity. Project to include safe accommodation for pedestrians and bicyclists.	n/a	Phipps Boulevard/ Wieuca Road	n/a	\$3,750,000	1, 2, 3, 4, 5

Title	Mode, Project Type	CD	Description	Length (miles)	To	From	Rev TSPLOST Cost	Council Guiding Principles: (1) Congestion (2) Jobs, schools, and parks/ MU trails, sidewalks (3) Equity (4) Renew Coordination (5) Studies and Stakeholder input (6) Maintenance
Piedmont Road Capacity Improvement	Streets: Capacity	7	Widen Piedmont Rd from existing 5/6 lanes to 7 lanes, including intersection improvements at Tower Place and Lenox Rd (SR 141 Connector). Project incorporates Complete Street elements including a 16 foot multi-use trail from Lenox Rd to Peachtree Rd on south side of the project.	0.4	Peachtree Road	Lenox Rd	\$2,250,000	1, 2, 3, 4, 5
Moores Mill Road and Howell Mill Road	Streets: Capacity	8	Construction funding to implement concept developed with Renew Atlanta Bond funding. Project to increase vehicular intersection capacity. Solutions may include introducing turn lanes, signalization, or a roundabout. Project to include ADA compliant crosswalks, ramps, push buttons, and countdown signal heads.	n/a	Moores Mill Road/Howell Mill Road	n/a	\$2,500,000	1, 2, 3, 4, 5
Moores Mill Road and West Wesley Road	Streets: Capacity	8	Construction funding to implement concept developed with Renew Atlanta Bond funding. Project to increase vehicular intersection capacity. Solutions may include introducing turn lanes, signalization, or a roundabout, and resurfacing from I-75 to W Wesley Rd. Project to include ADA compliant crosswalks, ramps, push buttons, and countdown signal heads.	n/a	Moores Mill Road/West Wesley Road	n/a	\$2,500,000	1, 2, 3, 4, 5
Mt Paran Road, West Conway Road, and Randall Mill Road	Streets: Capacity	8	Construction funding to implement concept developed with Renew Atlanta Bond funding. Project to increase vehicular intersection capacity. Solutions may include introducing turn lanes, signalization, or a roundabout. Project to include ADA compliant crosswalks, ramps, push buttons, and countdown signal heads.	n/a	Mt Paran Road/West Conway Road/Randall Mill Road	n/a	\$2,500,000	1, 2, 3, 4, 5
Cascade Road/I-285 Interchange	Streets: Capacity	11	Increase vehicular capacity of interchange via diverging diamond interchange and/or other capacity improvements. Include accommodations for pedestrians including ADA compliant crosswalks, ramps, push buttons, and countdown signal heads.	n/a	Cascade Road/I-285 Interchange	n/a	\$10,000,000	1, 2, 3, 4, 5
Downtown Connector	Streets: Enhancement	2	Gateway project includes sustainable infrastructure and gateway improvements, landscaping and enhancements	4.0	Brookwood Split	I-20	\$2,000,000	2, 5
17th Street Enhancements	Streets: Enhancement	3	Sidewalk, bike lane, and bus only lane improvements to improve safety and reliability.	0.5	Market Street	Peachtree St	\$850,000	1, 2, 3, 4, 5
Hosea Williams Drive	Streets: Enhancement	5	Install bulbouts on all corners to protect parking and shorten pedestrian crossing distances.	3.30	Moreland Avenue	Candler Rd	\$660,000	2, 3, 4, 5
Midtown Protected Pedestrian Crossings	Streets: Enhancement	2, 3, 6	Install new signals or safe crossings at 15 high-priority locations in the Midtown business district to improve pedestrian safety and accessibility.	n/a	Midtown business district	n/a	\$2,975,000	1, 2, 3, 4, 5
Fort McPherson Redevelopment: Northern Gateway	Streets: Extension	4, 12	Extend Oakland Drive into the Fort McPherson Redevelopment Area, connecting the redevelopment area, the Oakland City MARTA Station, and neighborhoods to the north.	0.5	Van Buren Street	Fort McPherson redevelopment area	\$5,000,000	1, 2, 3, 4, 5
Mitchell Street/Capitol Square Conversion to Two Way	Streets: One Way Conversion	4	Convert street from one-way to two-way operation, including signal modifications and signage. Street reconfiguration to include bike lanes in both directions. Project to repair and enhance additional street elements as funding permits.	0.7	Ted Turner Drive	Fraser St	\$2,265,000	1, 2, 3, 4, 5
Baker St Conversion to Two Way	Streets: One Way Conversion	2, 4, 5	Convert street from one-way to two-way operation, including signal modifications and signage. Street reconfiguration to include bikeway improvements between Marietta St and Centennial Olympic Park Drive. Project to repair and enhance additional street elements as funding permits.	0.9	Marietta Street	Piedmont Avenue	\$547,500	1, 2, 3, 4, 5

Title	Mode, Project Type	CD	Description	Length (miles)	To	From	Rev TSPLOST Cost	Council Guiding Principles: (1) Congestion (2) Jobs, schools, and parks/ MU trails, sidewalks (3) Equity (4) Renew Coordination (5) Studies and Stakeholder input (6) Maintenance
Street, Capacity, and Vehicular Improvements	Street, Capacity, and Vehicular Improvements	Citywide	Construction funding for street capacity and vehicular improvements within the City of Atlanta.	n/a	Citywide	n/a	-	1, 2, 3
Atlanta Signal Coordination System and Congestion Management	Signal Coordination	Citywide	Leveraging existing investment through Renew Atlanta for state of good repair and select corridor level improvements, the project will support congestion management including enhanced operations and signal modernization, transit signal pre-emption and bike/ped detection as appropriate, fiber and other supporting infrastructure investments that will enable broad enhancement and citywide impact of the City's traffic operations system.	n/a	Varies	n/a	\$40,000,000	1, 2, 3, 4, 5
